Have you had a chance to run the last report needed for pay periods 2-16?

No problem. Are you ok with those being combined into one report?

Thanks Ralph, this is absolutely what we need; however, we need pay periods 2 – 16 to reflect the SA April 2015 of our original report which included October 14, 2014 – April 30, 2015. I compared a couple of your reports to the SCORPIOS reports and the hours are pretty close to being the same, considering the timeframes you ran for pay periods vs months. Really appreciate these reports.

Thanks.
